

BC Business Match is a business transition service that connects business buyers, sellers and communities across BC. It's a Network 34 initiative from Community Futures designed for:

- Business owners thinking of exiting their business
- Business owners already in the process of trying to sell their business
- Entrepreneurs looking to expand their business by acquiring another one
- Anyone considering entrepreneurship

The program helps buyers find the right business for their skills, interests and needs, and helps business owners professionally prepare their businesses for sale. This is a full scope program with assistance available at every step of the way.

Buyers receive:

- Tools and training to understand the business purchase process
- Access to business listings & exclusive unlisted business opportunities
- A custom Business Match Report of available opportunities
- Ongoing professional business valuation & advisory services
- Advice, support & business mediation during a business purchase
- Connections to community resources & local business support

Sellers receive:

- Exposure to buyers across western Canada and beyond
- The option for a confidential business listing
- Access to a pool of serious, qualified buyers
- Assistance creating a comprehensive Sales Information Package for buyers

BC Business Match aims to sustain and grow the local economies of non-metropolitan BC communities, support business owners as they make their exit, and lead the way for new owners to set up shop and continue to offer the goods and services their communities need.

We gratefully acknowledge the financial support of the Province of British Columbia.
